The Entrepreneurial Assistance Committee's Mission is: To assist the membership of the Central Bucks Chamber of Commerce in achieving financial, marketing, human resources and customer service goals through fostering business alliances, networking opportunities, and providing education through the resources of the Chamber and talents of Committee members.

Through the Entrepreneurial Assistance Program, the Chamber addresses requests from business owners by introducing them to volunteer Advisors. It can not be implied that the Chamber is endorsing the products, services or referred resources of Advisors as a result of this program. The requestor waives all claims against the Chamber and its volunteer Advisors arising from this assistance.
