

DO YOU WANT TO MAKE A DIFFERENCE IN THE LIVES OF BUCKS COUNTY WOMEN?

Elise left an emotionally abusive marriage and supports her two sons on her own. She has worked for an area supermarket for two decades, but knows that she will never rise to a position that provides a supporting income without obtaining a degree. Kathryn survived an almost seven year battle with substance abuse disorder, where she almost lost her life and was a victim of human trafficking. She is now a Certified Recovery Specialist working in an inpatient drug rehabilitation facility and is pursuing a degree in Social Work in order to continue on her journey of healing others as she has been healed. While these two women have two very different stories, they are similar in the fact that they are dedicated to attending college and earning their degrees to create better lives for themselves.

In the last two and a half decades, the Women In Business Committee of The Central Bucks Chamber **has provided more than \$400,000.00 in scholarships to more than 100 local women!** Each year, funds raised primarily through our *Gourmet Getaway* provide women who have overcome substantial challenges with scholarships to assist them in returning to school to better their lives, their family's lives, and our community.

This year, the Women in Business Committee of the Central Bucks Chamber of Commerce is proud to present *A Gourmet Night at the Movies ~ The 26th annual Gourmet Getaway* on Thursday, March 28, 2019, from 6 to 9 p.m. at The Warrington Country Club at 1360 Almshouse Road in Warrington, PA. Join us for an unforgettable evening with complementary food and drink from Bucks County's finest, as well as raffles and silent auctions!

Without the support of local business leaders such as you, we would not be able to assist women like Elise and Kathryn. Please consider donating an item or basket to be used in this year's raffle or silent auction item at the *Gourmet Getaway*. All donors will receive recognition through signage at the event. Your generosity is greatly appreciated!
